

## **Scholarships**

Fairfield High School promotes and connects students with a number of scholarships to support their learning.

We offer our own scholarships, the Fairfield High School Educational Scholarships to assist students with their studies in years 9 and 10 and again years 11 and 12, Students who receive this scholarship can use the funds to make purchases essential to their education in high school.

We also offer a scholarship for year 6 students transitioning to Fairfield High School to assist them with their educational needs during year 7.

To access the application forms please click on the links below
