On Mondays school will finish at 2.15pm for students with staff attending meetings and professional learning activities.

Assembly Bells – 3 short bells – Students are to stand in roll call lines in S Block

Warning Bells – Evacuation and Lockdown

A continuous bell is the warning bell for evacuations. Students are to proceed under the direction of the class teacher to the football field (Evacuation Area). You must line up in ROLL GROUPS.

Ten short bells indicate “Lock Down”. All students are to remain in the classroom or make their way to a supervised building and remain there until the all clear is given. Following this an assembly will take place.
